## PRINCIPAL PARTICULARS

<b>DESIGN CLASSIFICATION:</b>	ISO 12215 DESIGN CAT B
<b>HULL TYPE:</b>	DEEP V HIGH PERFORMANCE
<b>HULL MATERIAL:</b>	GRP COMPOSITE
<b>COLLAR TYPE:</b>	INFLATABLE HYPALON COLLAR
<b>LENGTH OVERALL:</b>	10.0 M
<b>INTERNAL LENGTH:</b>	8.40 M
<b>BEAM OVERALL:</b>	2.80 M
<b>INTERNAL BEAM:</b>	1.70 M
<b>COLLAR DIAMETER:</b>	53 cm
<b>NUMBER OF AIR CHAMBERS:</b>	10
<b>MAXIMUM PAYLOAD:</b>	1200 kg / 12 PERSONS
<b>CREW SEATING:</b>	2 + 6
<b>MAX SEATING:</b>	4 CABIN + 8
<b>SEATING TYPE:</b>	SHOCK MITIGATION / MODULAR JOCKEY
<b>SHOCK MITIGATION:</b>	OPTIONAL

<b>POWER:</b>	2 X 250 HP
<b>MAX POWER:</b>	2 X 350 HP
<b>PROPULSION:</b>	TWIN OUTBOARD
<b>ENGINE SHAFT:</b>	X LONG / 2 X XXL
<b>FUEL TYPE:</b>	PETROL
<b>FUEL CAPACITY:</b>	2 X 250 L
<b>DRAFT:</b>	0.5 M
<b>DEADRISE V AT TRANSOM:</b>	22° INCREASING TO BOW
<b>BOAT WEIGHT (100% FUEL):</b>	3000 KG
<b>MAXIMUM CAPACITY:</b>	12 PERSONS
<b>NAVIGATION:</b>	GPS / RADAR / ECHO
<b>LIFTING/ LAUNCHING:</b>	4 POINT SLING / TRAILER
<b>SELF- RIGHTINING:</b>	OPTIONAL
<b>MAX SPEED:</b>	50+ KNOTS
<b>RANGE:</b>	200 NM

# POLICE OFFSHORE 10.0 M COUNTER TERRORISM

Humber Ribs are world renowned Rigid Inflatable Boat manufacturers who have been at the forefront of designing, developing and producing vessels since 1965 supplying vessels to police forces worldwide and other leading professional organisations.

Each of the Humber police patrol and counter terrorism ribs have been designed specifically for application in their special operations. Since we design and manufacture all our boats in our UK factory, we work with our clients and modify every element of our craft at the design process, to ensure that each vessel is suited to their unique requirements.

Each RIB we build offers rough sea capabilities due to the design of our unique high performance hulls allowing all Police and Patrol vessels to perform in the heaviest of seas while allowing the crew to remain dry and comfortable. The manoeuvrability of the Humber hull allows precise controlled handling so that crews can operate reliably and effectively in hostile maritime environments.

Our craft have been proven by a wide ranging clientele including the British Antarctic Survey, Fire and Rescue organisations, Police Forces, UK Ministry of Defence (MOD), Meggitt Defence and hundreds of other professional organisations. The versatility and sea keeping ability of our craft are optimised to suit the requirements of the demanding specialist sector have only strengthened our position as the professional's choice. A long service life is designed into the craft along with safety and a high degree of stability.

## **Compliance details**

All Humber Police boats are designed to be compliant with the Police Boat Code or any required national regulations.

For more details on our range of Police RIBS and Counter Terrorism Craft, contact Humber Ribs on +44 (0)1482 226 100.

## Offshore Series

For two decades these Ribs have enjoyed the ultimate accolade as the 4 x 4 of the Ocean. The preferred choice of commercial operators, these craft have engaged in extensive and rigorous operations. Drop tested from 5.5 meters, self-righting in 15 seconds, heel tested and excessively over loaded to more than double stated capacity in stability tests, all sections were passed with honours. The unique high performance deep V multi chine hull and perfect high sheer bow combination offers the maximum in high speed, fast to plane and responsive handling with increased fuel efficiency. The Offshore is capable of covering longer distances, faster, and in greater comfort than any other comparable RIB on the market.

## Humberside Counter Terrorism

The Humberside Offshore 10m in operation by Humberside Police is docked in Hull Marina. The craft which is coded to Cat B can be seen patrolling along the Humber Estuary and Holderness Coast.

The primary role of the team, which is different to the underwater search unit, is to provide a highly visible police presence in the Humber portal region working in partnership with other stakeholders in the marine environment such as Humber Rescue and the Coastguard. Other main duties include counter terrorism responsibilities and providing support and response to emergencies within the region.
